

The MEDICAL CODING ACADEMY does not discriminate in acceptance into the curriculum, or on any other decision, on the basis of race, color, sex, martial status, citizenship and national origin, ancestry or on the basis of age or physical or mental disability unrelated to ability to perform the functions of a Certified Professional Coder.

No question on this application is intended to secure information to be used for such discrimination. Applicants must be at least eighteen years of age.

Please note if you have been convicted of a felony or other criminal history it may be a barrier to healthcare employment.

Medical Coding Academy currently does not have a placement program and will not guarentee placement after successful completion.
